FOREST BUSINESS GRADUATE STUDENT DIRECTORY 2022-2023

HARLEY LANGDALE JR. CENTER FOR FOREST BUSINESS

Founded in 1997, the University of Georgia Harley Langdale Jr. Center for Forest Business is the country's leader in preparing forestry business professionals. Our students come from a variety of backgrounds and bring a range of expertise to our degree programs. We provide an education firmly rooted in advanced forestry and business management principles, including coursework in the nationally ranked Terry College of Business. As a result, our students are well motivated and in high demand in the marketplace.

We offer the following degrees:

- Master of Forest Resources in Forest Business Management (M.F.R.)
- Master of Science (M.S.)
- Doctor of Philosophy (Ph.D.)

Vision

To be the global leader in providing research and education services for commercial forestry interests that integrates sustainable forestry principles with sound business applications.

Mission

The three-part mission of the Harley Langdale Jr. Center for Forest Business is to provide global leadership in education, research, and service to commercial forest constituents in the following areas:

- **Education:** To offer academic programs to meet the multi-disciplinary demands of the changing forestry-related economy and continuing education.
- **Research:** To provide insight into the financial and economic impact of commercial forestry-related decisions.
- **Service:** To meet the public need through basic outreach and education that solves fundamental financial, economic, and sustainability challenges.
